The RPA itself is back with OMB again and hopefully in good shape to get finalized and 508 compliant by Thursday.

I saw in the finalization list a comment that Owen needed to see appendix A and B.

We sent him Appendix B quite some time ago, and I thought you had sent the revised version post deletion of appendix A, but I've also attached it here.

I have asked HW to give us a final copy of Appendix B/C reflecting all of Rose's edits. When I get that I will share it with you and Rose.

I'm not sure if/when we'll see appendix C/D but I'll ask.
